Remarks

Nearing completion, this beautiful, gambrel inspired home is set on sought after cul-de-sac in desirable Hardy School neighborhood featuring a sun drenched foyer flanked by a library w/ coffered ceilings, gas fireplace and shiplap bookcases. Incredible 10' ceilings embrace you throughout the first floor, featuring a stunning dining room, cook in your gourmet chef's kitchen w/ island and eat in area that opens to a gorgeous family room w/ fireplace and french doors. An over-sized mud room w/ half bath completes the first level. Retreat to the second floor graced by 9' ceilings to the elegant master suite with a spa like bathroom, 3 additional, generous bedrooms and beautiful full baths along with a spacious laundry room w/ custom cabinets. The lower level offers a fantastic recreation room, bedroom or gym with a full bath plus extensive storage. This lovely, private, level lot has a stone patio and professionally landscaped grounds. Make this beautiful, energy efficient home yours.
